JUNE, 1895.

# BOOKS

LIST OF BOOKS used in the schools of District No. One, Denver, Colorado. The books used in grades one to eight are furnished by the District; those used in grades nine to twelve—in two high schools with over one thousand pupils—are owned by the pupils, the District having one copy of each as a sample. This list shows the number of copies of each book owned by the District; with lists of the same arranged by grades and by classes. It also includes a statement of the number of volumes in the libraries of the several schools and in the Public Library.
